Final summary information (please write the answer next to the question):

- Please keep in mind that these notes will be passed along to the next teachers. What information would have helped you from past teachers about your classes, students and activities? What would have made your transition into teaching these students, easier?
- Which lesson did you leave off in the curriculum?

- *What needs to be covered still?*

- *What did the students excel at?*

- *What did they struggle with?*

- *Descriptions of successful games and activities (i.e. names of songs that the students learned, names of specific worksheets used etc.):*

- *Do you think the students in your class were on the same level? If not, who can move on? Who could stay behind?*

- *Any notes you may have on each student i.e. Juan is really disruptive, but enjoys active activities where he is moving and learning at the same time.*
